ROTTERDAM BY OFFICE-SEEKERS.

Ex-Gov. Palmer's Plans—Grover Cleveland

a Tammany Brave—Political.

By Telegram to the Post-Dispatch.

WASHINGTON, March 20.—Senator Evans of

New York says that the published story that

he contemplated resigning his seat in the

Senate is not true. Friends of his in the

Senate say, however, that he has seriously

considered the matter and that he has thor-

oughly risked the scramble for spoils into

which he has been forced. It was stated in these

dispatches some days ago that it was the

original intention of the Senator to

keep aloof from the scramble and

allow his colleagues in the Senate

and the Republican leaders in the State to

distribute the spoils. The Union League

Club of New York city and other organiza-

tions which had contributed to his election at

once protested against the policy of inaction

and urged Mr. Evans to exert himself to see

that none but men of ability and high char-

acter were put into the New York offices. He

accordingly set out to make the tour of the

Cabinet ante-chambers and pressed the men

of his choice for the various positions to

be filled. But it is extremely

disasteful to him; if he has got to keep it up

indefinitely he will find a Senatorial career

anything but agreeable. It is reported that

Gen. Harrison may select him as Minister to

England. His legal abilities would make him

just the man to handle the delicate negotia-

tions necessary in connection with the ab-

olition of the tariff and the tariff reform

and extrajudicial disputes and he would keenly

enjoy the social life of the British capital.

The position is probably at the disposal of Mr.

Depew if he will take it, but if he declines it

it is quite likely to go to Mr. Evans.

EX-SANATOR PALMER.

Ex-Senator Palmer of Michigan is somewhat

amused by the stories which represent him as

in doubt whether to accept the Spanish mis-

sion. He has not the least idea of declining

and will leave for his post in about three

weeks. He makes no secret, however, of his

purpose to remain in Spain no more than two

years. He has been ambitious for some time

to fill the gubernatorial chair of his State and

he believes he can reach the goal in the elec-

tion of 1890. His friends will make the

canvass for his nomination, and if nominated

he will resign his post, return home and fight

the campaign, with the confident expectation

that the sturdy Republican majority in the

State will seat him in the gubernatorial

chair.

THE KANSAS COMMISSION.

One of the day's commissioners of Kansas

Commissioners, said yesterday regarding their

trip to Berlin: "We are going away in the

April. We are all going together, and at Ber-

lin will be quartered at the same hotel. Our

families will not accompany us. The trip is

purely business and the only person to go

with us will be a dining officer."

CORPORAL TANNER.

Corporal Tanner's name will be sent to the

Senate to-day as a commissioner of Penalties.

Both Russell Harrison and Secretary Tracy

are responsible for his nomination. The Sen-

ate has satisfied himself fully of Mr. Tan-

ner's fitness for the place and the appoint-

ment is said, will no longer be delayed.

It is also reported that Gen. Longstreet of

Confederate fame, will succeed Gen. Har-

rison as Register of the Treasury. A strong

effort is being made to secure the consul gen-

eralship to Hong Kong, Mr. Gen. Har-

ison, another well-known ex-Confederate officer,

who has this place under the Arthur ad-

ministration.

ARKANSAS JUDICIAL CONVENTION.

By Telegram to the Post-Dispatch.

LITTLE ROCK, Ark., March 20.—Returns

from the County Democratic Conventions,

held throughout the State in the past few

days, indicate the nomination of ex-Gov. S.

P. Hughes, W. E. Hemmingsway of Pine Bluff,

and M. H. Sandell of Fort Smith, as candi-

dates for Associate Judges of the State Su-

preme Court. The convention meets here at

noon to-morrow.

ILLINOIS LEGISLATURE.

The Crawford Stock-Yards Bill Passed by

the House.

By Telegram to the Post-Dispatch.

SPRINGFIELD, Ill., March 20.—The Crawford

stock-yards bill passed the House this morn-

ing without debate, by a vote of 95 to 37. The

bill allows a yardage charge of 15 cents for the

cattle horses and mules, 8 cents for any of

these animals under 1 year of age, 5 cents a

head for hogs and sheep, and not more than

50 per cent above the current market price for

feed. No charge is allowed for water.

The resolution of Mr. Brown of LaSalle,

calling for an investigation of the expenses of

the State militia, provoked a long political

discussion. The Republicans opposed the
